Dear Mr. Davis:

Re: Notice of Intent to Commence Mining Operations, Parleys Canyon Aggregate Co,
ML 45599 Building Stone/Limestone, Salt Lake County, Utah

This letter is to explain that the required consultation with the Utah State Preservation Office resulted in a recommendation that a cultural and historic properties survey be completed before further review of the project. Please have the survey sent to Kenneth L. Wintch of this office upon completion. If you have any questions or need additional assistance, please contact me at (801) 538-5508. I have enclosed a copy of a list of qualified contractors whom would be able to perform the survey.

Sincerely,

JERRY W. MANSFIELD
